

"Ladies and gentlemen,

Now that all your passports are ready and cleared for international travel, your journey abroad is almost set to begin.

At this point, we would like to inform you that the cost of each flight ticket is rupees five hundred per person. However, at the moment, the required funds to issue tickets for all team members are not available.

In order to proceed with boarding, each team is required to raise the ticket amount through a fundraising activity, working together as one crew.

Your task is to come up with a creative and innovative fundraising idea that will help you earn your team's tickets.

Please note that the team presenting the most innovative and impactful fundraising idea may receive a special discount on the ticket price.

This opportunity will be offered on a first-come, first-serve basis. The team whose fundraising idea is approved first will be eligible for the discount.

So prepare your ideas, collaborate with your teammates, and act fast.

We look forward to welcoming you onboard very soon. Thank you, and have a pleasant preparation for your voyage."
