

# RK Training Centre

Your Gateway to Professional Computer Accounting & Taxation  
Training

Karpuri Chowk, Near HP Gas Agency | Pandaul, Madhubani – 847234

# Professional Excellence in Education

RK Training Centre is dedicated to transforming aspiring professionals into skilled accounting and computer experts. Our institute combines 100% practical learning with industry-standard software training, preparing students for real-world challenges.

We bridge the gap between academic knowledge and workplace readiness through hands-on training methodology and expert guidance from experienced professionals.

# Master the Essential Skills Employers Demand

## Tally Prime with GST

Complete accounting software training with GST integration and advanced features

## Income Tax Return Filing

Master ITR filing procedures, deductions, and compliance regulations

## GST Return Filing

Learn GST registration, returns, and advanced taxation procedures

## Computer Fundamentals

Essential computer skills, MS Office, and internet applications

# Training Features That Set Us Apart

1

## 100% Practical Training

Real-world scenarios and hands-on practice on actual software applications. Learn by doing, not just watching.

2

## Live Accounting Practice

Work with real accounting data and live business transactions. Experience actual workplace scenarios.

3

## Latest Software Learning

Training on current versions of Tally Prime, GST, and tax filing platforms used by industry professionals.

4

## Job-Oriented Skills

Develop competencies specifically designed for immediate employment and career advancement opportunities.

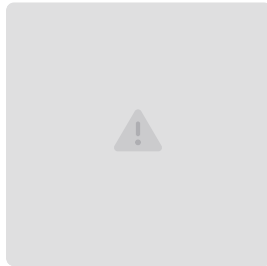

# Modern Learning Environment

Designed for Success

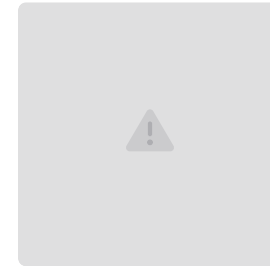

## Modern Computer Lab

High-performance systems with latest software installations and fast connectivity for uninterrupted learning

## Digital Smart Teaching

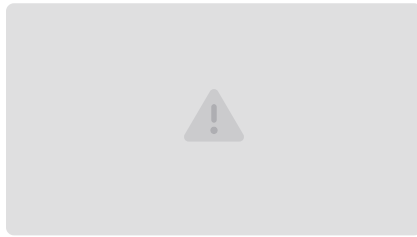

Interactive learning through digital presentations, demonstrations, and visual aids

## Real-Time Practice

Immediate application of concepts with live accounting scenarios and case studies

# Expert Faculty & Leadership

## **Trainer: Rafi Ahmad**

Practical Accounting Trainer

Brings years of industry experience in accounting and taxation. Specialized in Tally, GST, and tax filing procedures with a practical teaching approach.

## **Director: Md Rabbani Khan**

Director, RK Training Centre

Committed to providing quality professional education and practical skills that transform careers. Leading the institute's vision for excellence.

# Our Training Philosophy

## Expert Guidance

Experienced trainers provide personalized attention and mentorship throughout your learning journey. One-on-one support ensures you master each concept.

## Hands-On Practice

Learn by doing with extensive practical sessions on real accounting software and scenarios. Apply concepts immediately in practical contexts.

## Industry Software

Master the same tools and platforms used by professionals in actual workplace environments. No outdated or theoretical software.
