The Company may impose other requirements for Users in the process of opening an account.

5.2. To confirm the accuracy of the information, the Company has the right to request documents: supporting the identity of the User, confirming the User's age; confirming the address of residence. If for some reason the User cannot present documents confirming his identity, the Company has the right to suspend the User's account until he provides the necessary documents, or to permanently close access to the account in the event that the documents were never presented by the User.

5.3. The User confirms that when registering on the Website, he provided complete, accurate and reliable information about himself, and if any changes occur in the information, the User undertakes to immediately enter them into his profile. Failure to comply with or ignore this rule may result in the application of restrictions, suspension or blocking of the account.

5.4. If any questions or problems arise when registering on the Website, the User can contact the support service.

5.5. A registered User cannot re-register as a new User (under a new name, with a new email address, etc.). In case of confirmation of the fact of re-registration (including under a new name), provision of foreign, invalid, forged documents (including those modified using various programs and graphic editors), the administration reserves the right to invalidate bets

or bets made with such an account. In case of refusal of the verification procedure, the administration has the right to invalidate the forecasts. The administration also reserves the right to block such an account (re-registered) for the duration of the proceedings.

6. Identity verification (anti-money laundering)

6.1. By accepting this Agreement, the User undertakes, agrees and guarantees that:

6.1.1. he is already 18 years old;

6.1.2. The user is the full and legal owner of all funds in his account. All information provided by the User is true, current and accurate;

6.1.3. The User is fully aware that using the Website may result in loss of funds; the player takes full responsibility for any losses. The User confirms that he uses the Website at his own request, decision and at his own peril and risk. The User does not have the right to make any claims to the Company related to his losses and losses.

6.1.4. The user clearly understands the general principles, rules and procedures for providing services and the specifics of playing on the Internet. The User acknowledges that it is his responsibility to ensure that the data and bids are correct. The User agrees not to take actions or actions that could harm the Company's reputation.

6.2. By accepting the terms of the Agreement, the User gives the Company the right to arrange periodic checks (at our discretion or at the request of a third party, including authorized bodies) to confirm the User's identity and the reliability of the information provided.

6.3. During checks, the ability to withdraw funds from the User's account may be limited.

6.4. If during the verification it is established that the information provided is unreliable, this fact will be regarded as a violation of the terms of the Agreement, which in turn gives the Company the right to immediately close access to the User's account or refuse the User to use the services of the Website.

6.5. If the Company cannot confirm that the User has reached 18 years of age, the Company will have the right to suspend the User's account. If the User's age was less than 18 years at the time of participation in operations on the Website, then access to the User's account will be denied.

7. Account security

7.1. After registering an account on the Website, the User should not disclose data from the account to third parties. In case of loss of data necessary to gain access to the account, they can be found out or restored using the Website function.

7.2. The User is responsible for safety of data from the account, as well as any actions and transactions made from his account. In addition, the User is responsible for all losses incurred as a result of the actions of a third party.

7.3. In the event of a security breach and unauthorized access to the account, the User must immediately notify the Company. If necessary, the User is obliged to provide the Company with evidence that unauthorized access has actually been committed. The Company is not responsible for damage received by the User as a result of incorrect or careless use of account data by a third party or for unauthorized access to the account.

8. Transactions with funds

8.1. When providing the Website Services, virtual game currency is used - Coins. Virtual game currency is visual images generated by the website software (Coins). All rights to these visual images (Coins) belong to the owners corresponding software and are not transferred/assigned ownership rights to the Website Users. Coins can be used exclusively within the Website.

8.2. Website services are provided by purchasing and spending (in the attractions offered on

the website) virtual game currency.

8.3. To purchase Coins on the Website, The User needs to replenish his account with a certain amount of money.

8.4. The User confirms and undertakes that:

8.4.1. the funds deposited into the game account were not obtained by criminal, illegal or prohibited methods;

8.4.2. will not refuse completed transactions, will not deny or cancel payments made, which may become a reason to return money to a third party and allow her to evade legal responsibility.

8.5. The company does not accept funds from third parties: friends, relatives or partners. The User is obliged to deposit funds only from his account, payment card or system registered in the name of the User, and also to ensure that his means of payment are used only to replenish his own account. If violations of this condition are discovered, all winnings may be canceled and confiscated.

8.6. The Company has the right to block the User's account, as well as cancel payments and recover winnings if there is a suspicion that the account was replenished in a fraudulent manner. The Company has the right to notify the appropriate authorities of fraudulent payment activities and illegal activities. The Company is not responsible for the unauthorized use of credit cards, whether reported stolen or not.

8.7. The User fully understands and accepts the fact that the account is not a bank account. Consequently, insurance methods, replenishment, guarantees and other methods of protection from the deposit insurance system and other insurance systems do not apply to it. Interest is not accrued on funds in the gaming account. 8.8. In the event of termination of the established Agreement, the entire balance of the virtual game currency - Coins, which the User had when using the Services on the Website - is canceled at the time of termination of the Agreement without any compensation (paid and not consumed entertainment services) to the User.

8.9. It is prohibited to obtain virtual game currency through the intentional or careless use of malicious/virus programs and/or taking advantage of defects/malfunctions in the operation of the Website.

8.10. To participate in a particular game on the Website, the User makes a bet, as a result of which Coins are debited from the User's balance in the amount established by the Website Rules and the User's wishes regarding the size of the bet.

8.11. As a result of the User's participation in games on the Website, the balance of the User's virtual game currency may decrease (when making a bet) and increase (when the result of the game on the Website is achieved, stipulated by the rules of the Website).

8.12. Payment for Virtual Currency is determined at the rate established by the Administrator. Unless otherwise provided on the Website, it is assumed that 10 (ten) Coins are equal to 1 (one) ruble of the Russian Federation.

8.13. By depositing funds into the account balance, the User thereby confirms that he has read and accepts the Wagering terms.

8.14. Wagering – the amount of bets that the User must make in order to be able to make a subsequent withdrawal. Each deposit made must be wagered x3 means that the deposit amount must be used in bets at least 3 times. For example, if a user made a deposit of 100 Coins, then To wager, you need to place bets in the amount of $100 \text{ Coins} \times 3 = 300 \text{ Coins}$. Once these requirements are met, the deposit will be considered wagered.

9. Rules for playing games on the Website

9.1. The User is responsible for the truth of the information about any transaction made before confirming his bet during the game itself.

9.2 Full information about the User's transactions can be found on the Website.

9.3 We have the right to refuse the User to carry out any transaction requested through the Website in the event that the User has violated the terms of the established Agreement. No
